The endowment

**Law—M.L. or

was accepted by the Senate at a meeting held on August 30, 1899, and the following are the conditions of award:—

The scholarship shall be designated as 'Sir T. Muttuswami Ayyar Scholarship', and shall be awarded by the Syndicate biennially or whenever a vacancy occurs. It shall be of the monthly value of Rs. 35 and shall be tenable for two years or for such shorter period as the Syndicate may deem necessary in the special circumstances of each case.

The scholarship shall, in the first instance, be awarded to a student in Law who, having passed the B.L. Degree Examination in the University of Madras, continues his studies for the degree of Master of Laws preferably in Hindu Law Branch in the same University; but if, on the occurrence of a vacancy, no student in Law applies for the scholarship it shall be awarded to a student who, having passed the Intermediate Examination in the University of Madras, continues his studies for the Bachelor of Science (Honours) Degree in one of the sub-divisions—Physical or Natural Science branches.

On the occurrence of a vacancy, applications for the scholarship shall be invited from students in Law in three successive issues of the *Fort St. George Gazette*, and, if at the end of six weeks after the appearance of the first notification no application shall have been received from students in Law a new notification shall be inserted in the said *Gazette* inviting applications for the scholarship from students who prosecute their studies for the *B.Sc. (Honours) Degree* in the aforesaid branches.

The age of an applicant must not exceed 25 years on the 1st January preceding the date of the notification.

The scholarship may be declared by the Syndicate to be forfeited if the conduct or progress of the holder be unsatisfactory, or on account of his continued ill-health, or for any other reason which the Syndicate considers sufficient. There shall be no appeal from such decision.

The holder of the scholarship must bind himself by written covenant—

(1) to prosecute his studies for the examination of Master of Laws or *Bachelor of Science (Honours)*, as the case may be, in the University of Madras, and to appear for the examination on the first occasion admissible under the regulations;

(2) to place himself, for the direction and control of his studies, under the supervision of the Principal of the Madras Law College in the case of a student in Law, or of the Principal of a first-grade College situated in the town of Madras in the case of a student reading for a degree in Science;

(3) not to hold any other scholarship in conjunction with this scholarship;

(4) not to pursue any calling inconsistent with the prosecution of his studies nor to practise as a pleader, nor to hold any salaried appointment during the tenure of the scholarship.

provided that nothing contained in this covenant shall be taken to debar the holder, if a student in Law, from serving his term of apprenticeship or from being enrolled as a pleader during the tenure.

The scholarship shall commence from the date on which the selected applicant reports himself to the Principal of the College under whose supervision he has to pursue his studies.

It shall be paid to the holder for the minimum period required to appear for the M.L. Degree examination (not exceeding two years) and shall terminate with the payment for the month in which the M.L. Degree examination is held in the year.

The Syndicate shall have power to make such changes in the conditions of award as new circumstances may render desirable, provided that the object for which the scholarship has been founded shall always be kept in view, and provided that the monthly value of the scholarship shall not be less than one-twelfth part of the interest accruing on the original endowment. Should, however, the Syndicate, at any time after the 'Tata scheme' becomes an accomplished fact, consider it expedient and feasible to utilize the income from the endowment in granting a scholarship for the encouragement of research in any of the above or other branches of learning, it shall be competent of them to do so.
